### The News From Dreyer.

July 25.—As I see no notes from our little burg, I thought I would send in a word or two.

We had a game of ball here yesterday between the Dreyer team and the Boundary boys. Dreyer's team was defeated, but it was all in the practice; the game was interesting; scores 5 to 12. The Boundary boys were only seven in number, but they put in their good work. The boys expect the Sunset team to come out here next Sunday.

The boll weevil is making his appearance here; also the boll worm. Am afraid the farmers will have a hard fight the present crop.

We have had a meeting here the past 5 or 6 days, conducted by Bros. Bramfield and McDonald of Gonzales. Much interest was taken in the meeting.
